

Feeding times

Feeding times may change at short notice due to operational reasons. There are daily commented feedings in the summer season (in the winter season only on weekends) for the following animals:

Morning	Afternoon
11.00 Penguins	15.00 Harbor seals
11.30 Harbor seals	15.30 European bison
12.00 South American coatis	15.45 Maned wolves (at the rock)

Information regarding the polar bear feeding can be found at the zoo entrance or next to the polar bear enclosure.

All other animals are fed at varying times throughout the day. You are welcome to ask our zoo-keepers for more information when you meet them during your visit.

Feeding our animals

It is generally **PROHIBITED** to feed our animals with food brought from outside the zoo or plants plucked at the zoo! If you are looking for direct contact with our animals, you have the opportunity to purchase special animal feed at the zoo entrance to feed some of the following animals:

- Goats
- Japanese sika deer
- Sheep
- Fallow deer

Please pay attention to the following:

*Please **ONLY** feed these animals and only with the special animal feed provided by the zoo. Different food will make our animals **SICK!***
